Mayor's Message

Welcome to the 2023 City of Belmont Art Awards.

The awards display the creativity within our local community and the broader West Australian arts sector. They are a highlight of the City of Belmont's cultural calendar.

Each year the awards support artists and the creation of artworks that ignite the imagination, tell our unique stories, and foster connections. They highlight the talent in our local community and celebrate the City of Belmont as a place of creativity and culture.

The awards strive to be inclusive and accessible and are one of the ways we encourage community engagement in the arts – a key goal of our 2020-2040 Strategic Community Plan.

As we know - art is a great connector; it helps us understand different perspectives and builds bridges, while contributing to the health, wellbeing, and general life satisfaction of our residents.

The exhibition this year is a treasure trove of diverse expressions; featuring traditional and contemporary masterpieces crafted by seasoned artists and emerging talents, including artworks from people who might be exhibiting their work for the first time.

With 299 artworks on display you will find pieces that inspire, delight and resonate. The awards are open for two weeks and are worth visiting more than once.

The Art Award's Public Programs leading up to and during the exhibition include workshops, talks and accessibility tours designed to provide professional development opportunities for emerging artists and greater appreciation of the works on display.

We are grateful to the Event Mill for providing in-kind sponsorship for the awards.

Thank you to all the artists who submitted their artworks and for sharing your talents and imagination with us all.

Please enjoy the 2023 City of Belmont Art Awards.

Cr Phil Marks
Mayor - City of Belmont
