Message from the Mayor

As Mayor of the City of Belmont, it is my great pleasure to welcome you to this year's Art Awards exhibition, a celebration of the creativity, talent, and community spirit that define our city.

This year, we received an unprecedented 585 entries - a record that highlights not only the artistic talent of our local residents but also the broader community's connection to our city. Each artwork tells a unique story, offering new perspectives and inviting us to see the world through the eyes of our talented artists.

This year marks a significant milestone as we celebrate our 125th anniversary as a local government. To honour this special occasion, we are introducing a new award category.

This category will recognise an artwork that truly embodies the essence of our city.

I invite you to explore the exhibition, engage in the workshops, and take the opportunity to connect with the many stories that these artworks convey.

Together, we are building a city where creativity thrives and meaningful connections are made, both now and in the years to come.

I would also like to thank our sponsors Zenith Energy, The Event Mill, Rocky Bay, and Rotary Club of Belmont.

Robert Rossi

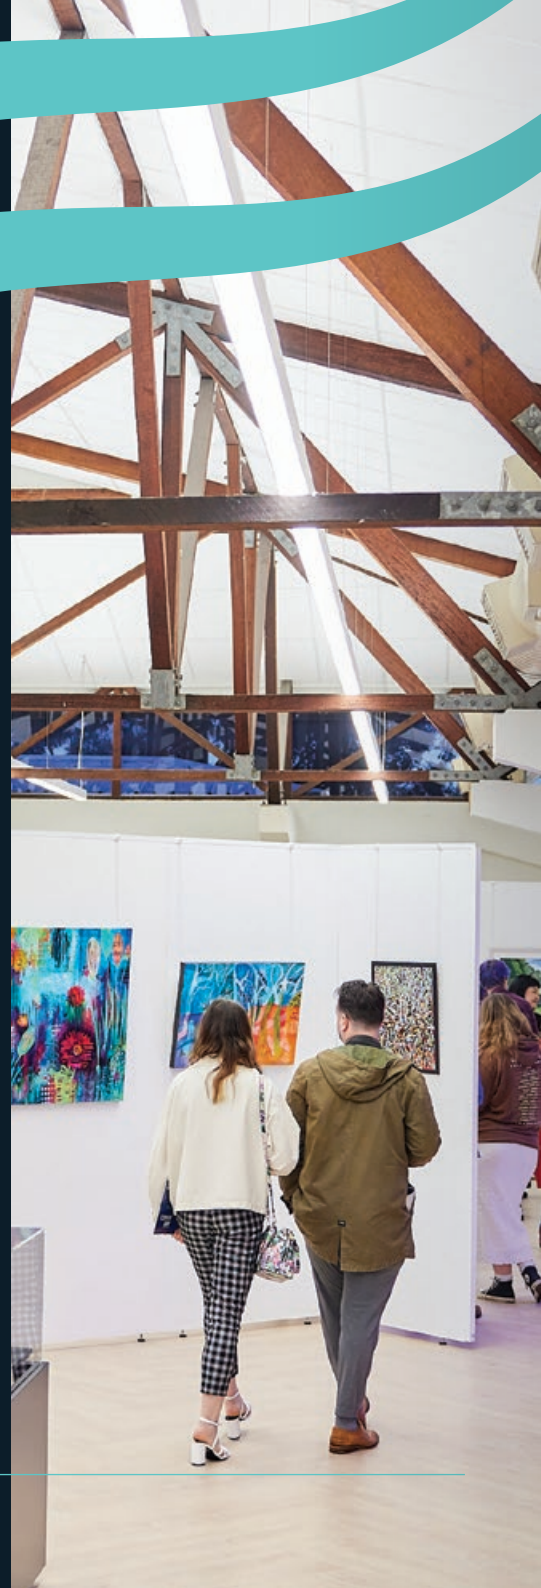

Mayor

Education programs

The City of Belmont engaged Artsource, WA's peak body championing visual arts in the community, to deliver a range of educational sessions in the lead up to the Art Awards.

These workshops provided professional development opportunities for emerging artists, furthering their skillsets and preparing them to make competitive applications to the Art Awards and opportunities beyond.

Professional development workshops

- Social media for creatives with Bo Wong
- Exhibitions for artists: The art of exhibiting with Sandra Murray
- How to write an artist statement with Mikaela Castledine
- Documenting your artwork on a budget with Robert Frith
- Build a stretcher frame and stretch a Canvas with JC

Mentorship program

The Art Awards includes a mentorship prize which sees an accomplished WA artist paired with a mentee. This year the City has appointed accomplished artist Kevin Robertson as the 2024 mentor.

Robertson was born in Norseman, Western Australia, and studied painting at the Western Australian Institute of Technology (now Curtin University), graduating with a Bachelor degree in 1984. He was awarded a Master of Arts from the College of Fine Arts, University of New South Wales in 1992 and a Doctorate from Curtin University in 2018. He has a consistent practice as a painter and previously exhibited extensively at Galerie Düsseldorf, Perth, and participated in numerous group exhibitions nationally and internationally.

Robertson's paintings are represented in many public and private collections including Artbank, the Art Gallery of Western Australia, Parliament House Canberra, Wesfarmers, Bankwest, The University of Western Australia, Murdoch University, Kerry Stokes Collection, and Janet Holmes à Court Collection.

From the self-nominated entrants of the Art Awards, Kevin will select an artist to provide professional mentoring to during October 2024.
