

Public Event Application Form

OFFICE USE ONLY:	
ECM Ref:	Date Received:
Responsible Officer:	
Pathway Application No:	
1. PROPOSED EVENT I	DETAILS
	ont venue, the venue should be booked prior to king a City of Belmont venue is available on the
For most general events not involving sign	nificant noise considerations (like concerts) a

For most general events not involving significant noise considerations (like concerts) a completed public event application form should be submitted to Health Services at least **1 month** prior to the event. For large events (e.g. 5,000 or more attendees) and events with significant noise considerations such as concerts, the application should be received no less than **2 months** prior to the event.

Name of the event:	
Date of the event:	
Event start time:	Event finish time:
Pre-event set up date(s)/time(s):	
Post event pack-up date(s)/time(s):	
Venue name:	
Street address:	
Estimated number of patrons in total: _	

For events where there may be a total of 1000 or more people a Risk Management Plan is required

that has been developed in accordance with AS/NZS ISO 31000:2009.

2. EVENT ORGANISER (Note: Invoices will be issued using these details)

The minimum Public Event fee is \$250. The Public Event fee is waived for charitable organisations and community groups. Commercial events may be charged a higher fee up to \$871 based on the nature of the event.

The event organiser will be sent a single invoice for all Trader/Stallholder Permits and relevant event fees which must be paid by the event organiser before the event approval can be issued. A fee schedule is provided at the end of this form.

Is the event being organised by a cha	ritable organisation or community group?
No □ Yes □

7. NOISI	
entertainment, Consideration m	of the likely noise emissions from the event including types of live music, speakers, generators, other noisy equipment etc. ust be given to the event layout and location of noise sources in y residents and businesses.

Amplified music and other activities which are likely to cause noise above the assigned levels of the Environmental Protection (Noise) Regulations 1997 may require an application for a Regulation 18 approval which must be received by the City at least **60** days prior to the event. A Regulation 18 approval will initially require a covering letter detailing the event along with initial noise modelling followed by the submission of a full Noise Management Plan once the conditions of the approval have been issued.

Please provide details:		
,		-

17. OTHER NOTES

- Before submitting your application the event organiser should read the <u>Public</u> <u>Event Application Information Package</u>
- This application is for the purpose of assessing a public event. It is not an
 application to book a City of Belmont venue. If the event is at a City of Belmont
 park or venue a booking application must be made separately. Click here to view
 link.
- Additional information may be required during the assessment process (for example Traffic Management and Noise Management Plans). If required these must be submitted with adequate time to assess them.
- The Event Organiser shall ensure that adequate venue access is provided for people with disabilities.
- Where an event site is enclosed with fencing the emergency exits must have compliant exit signage. Fence panels marked as emergency exits should be hinged, fitted with wheels, and must open in the direction of egress.
- The management of waste from the event is the responsibly of the Event Organiser.
- The submitting of the Application does not guarantee that the event will be approved.
- The Event Organiser is responsible for ensuring that public liability insurance with cover of no less than \$20 million is in place. Contact your insurance company to ensure that your event and specific activities are covered by your insurance and to request a Certificate of Currency.
- The Event Organiser agrees to indemnify and to keep indemnified, the City of Belmont, its servants, and agents, and each of them from and against all actions, costs, claims, charges, expenses, penalties, demands and damages whatsoever, which may be brought or made or claimed against them, or any of them, in connection with the event.
- The applicant should submit this completed application form and supporting documentation to <u>belmont@belmont.wa.gov.au</u>

18. Public Event Fee Schedule

Depending on the size and nature of the event, applicable fees can vary. The following fees may be payable.

Legislation	Fee Type	Fee	GST included?
Health (Public Buildings) Regulations 1992	Public Buildings Event Application Fee	Up to \$871	No
	Regulation 18 - Non- Complying Noise Event application fee	\$1,000	No
Environmental Protection (Noise) Regulations 1997	Additional late application fee (less than 60 days prior to the event)	\$250	No
	Monitoring fees per Local Government Act (cost recovery)	Subject to event	No
City of Belmont	Trader's Permit/Stallholder's Permit application fee	\$40 per vendor	No
Consolidated Local Law 2020	Trader's Permit/Stallholder's Permit daily fee	\$40 per vendor per day	No

The City of Belmont Consolidated Local Law 2020 provides the following definitions:

9.6 (1) charitable organisation means an institution, association, club, society or body whether incorporated or not, the objects of which are of a charitable, benevolent, religious, cultural, educational, recreational, sporting or other like nature and from which any member does not receive any pecuniary benefit except where the member is an employee or the benefit is an honorarium; and

commercial participant means any person who is involved in operating a stall or in conducting any trading activity for personal gain or profit.

For most applications received by the City, the following charges will apply where relevant.

Public Building Event Application Fee

Public events are routinely charged a Public Building Event Application Fee per event. The minimum fee imposed is normally \$250 however fees up to the maximum applicable may apply, depending on the event.

The public building event application fee will be waived for all charitable organisations and community groups.

Trading in Public Places Fees

- If a Stallholder or Trader, whether food related or not, is operated by a *charitable organisation*, both the Permit Application and daily fees are exempt.
- All non-food commercial participants (e.g. presenters at expos, market stalls selling goods or services) are covered under one "umbrella" \$40 Permit application fee and an additional \$10 daily fee for each Stallholder/Trader. The "umbrella" Permit is issued to the Event Organiser to cover all the non-food related Stallholders/Traders.
- If amusements, such as bouncy castles and petting zoos, are part of the event as an attraction, (regardless of if they are paid by the event organiser) fees are not applicable.
- If patrons are to be charged a fee on the day for amusements, the "umbrella" Permit of \$40 is applicable along with a daily fee of \$10.
- All commercial participant food vendors are charged both the \$40 Permit Application fee and \$40 daily fee each (e.g. \$80 for one day of trade).

Example: A one day market event has 20 charitable organisation stalls plus 30 non-food related commercial participants. The following fees would apply:		
1 x Umbrella Stallholder/Trader Application Fee	\$40	
20 x charitable organisation stalls (fees exempt)	\$0	
30 x non-food commercial participants (30 x \$10)	\$300	
SUB-TOTAL STALLHOLDER/TRADER FEES:	\$340	
If three food-related commercial participants also attend the same event a \$40 Permit Application Fee and a \$40 daily fee would apply per vendor:		
3 x Stallholder/Trader Application Fees	\$120	
3 x Stallholder/Trader Daily Fees	\$120	
SUB-TOTAL FOOD VENDOR FEES:	\$240	

TOTAL STALLHOLDER/TRADER FEES:	\$580
